Pale People Have Pale Blood.

EDWARD AKERS' SON. ve's Tasteless Chill Tonic makes rich ble 6-S E. PRATT ST., BALTIMORE, MD. DIDN'T FIND THE POLE.

At last the brave little steamer sold to a white man. Windward, which has carried the into the Frozen Zone, is back in Sydney harbor, probably never again to be engaged in such work, for Peary does not expect to again attempt to reach the Pole though he would like to have one more chance.

The Windward came in with Peary on board, with a record to his credit of having gone farther north than he has ever gone before. He reached the latitude of 84° 87', or 343 geographical miles from the Pole, and comes back with the deep-rooted conviction that it is possible to reach the North Pole.

Lieutenant Peary is convinced there is no open polar sea, nor. the other hand, is there an eternally frozen area. He has demonstrated he thinks, that Greenland is the most northerly land in the world. E. CAMDEN ST., Baltimere, Md.

"The Pole can be reached, there is no question about that," he said. "Let a properly equipped party start
